VII. Biographical note:

Theodore D. Rogers of Norwalk CT. was engaged in researching the genealogy of the Rogers family of Fairfield and other old families in the area, particularly the Barnum family of Bridgeport, between 1881 and 1902. There is no record of Rogers, his middle name or the dates of his birth and death at the NHCHS, the Bridgeport or Trumbull Historical Societies. Rogers corresponded widely with men and women whose roots were in Fairfield County, and there is evidence that he received some assistance in the organization of his work from Mrs. Nathan G. Pond of Milford.

VIII. Analysis:

This collection consists of one box of approximately 250 items. Families covered by little genealogical correspondence are grouped alphabetically in master folders. Families covered by considerable genealogical correspondence are filed in their own folders alphabetically.
