 Folder V--New Haven

The source of these photographs is unclear, but it appears that, in some instances, they were used in the publication of the Federal Writers' Project book, Connecticut: A Guide to its Roads, Lore, and People, published in 1938 (Ref F100.F45).

These are arranged alphabetically by Town or other location, along with an additional folder of unidentified items.

<u>Box/ Folder</u>	<u>Contents</u>
